Our 25th Anniversary Celebration

As we celebrate our 25th year we remember all those programs and groups which help us expand our minds and enjoy lifelong learning. Who knew that Omnilore would grow to more than 300 members or that new friendships would be formed

To remind us of the joys of our study groups, the experiences of travel-study and the fellowship of interest groups, we will have a special program on Omnilore history at the July 30, Forum luncheon.

For our newer Omnilore members, our past may suggest new ideas for future programs as they take on leadership roles. For example some may wish to revive our chess club while others may wish to propose a new study-travel program.

Don't be surprised to see your picture show up on the Power Point display that is part of the program. We have dug into our archives for some interesting photos.

A special treat at the luncheon will be a UCLA music student string quartet performance.
